ATTENTION WASTE TIRE HAULERS

As part of our service to customers, our agency provides lists of registered haulers to the public who wish to hire registered waste tire haulers. These lists include information on the registered haulers as well as number of vehicles, etc. However, one of the complaints we get is that there is difficulty on determining which haulers haul for the public.

In order to improve our service to the public, we ask you to **return this questionnaire along with your application**. If you haul for the public, the lists we send would have such information. This will enable the public to determine which haulers they can hire.

DO YOU HAUL FOR THE PUBLIC?

X YES

 NO

Thank you for completing and returning this form. Again, this is intended to serve the public as well as serving you.

Sincerely,

Cody Begley
